

Advanced Open Water Course

\$475.00

We will take your dive skills and knowledge to
the next level.

Look inside to Advance

This course is great fun and will build your confidence in the water.

It involves 5 open water dives, a little bit of theory and lots of fun!

\$280.00 deposit will start you off.

This gets you your advanced open water crew pack and your first three dives at Lake Rotoma.

Your crew pack has a manual to study and data carrier slate

Your final two dives will be done at sea from a charter boat at one of our many Bay of Plenty or Coromandel dive sites.

What are the prerequisites?

- You will need to be an Open Water Diver before you start.
- Have a current PADI dive medical (within 12 months)
- Be 15 years of age or over

What gear do I need?

You will need your own

- Mask and Snorkel
- Fins and Boots
- Knife or dive tool
- Safety Sausage
- Torch
- Gloves

All other gear can be supplied
